

Innovative Tension System

PROFIL TENSION SYSTEM A French company on the Domestic and Global scenes

TS technology, manufactured and distributed by PROFIL TENSION SYSTEM CO.,LTD. offers an innovative tension and fixing system for various applications using all kind of PVC and textile banners.

Efficiency of TS range allows to imagine many applications in stretched banner.

PROFIL TENSION SYSTEM Technology knows a significant success within the sign industry and the architecture sector. Several firms have already adopted the TS range thanks to its advantages: simplicity, resistance, aestheticism... End 2010, PROFIL TS is distributed in 14 countries and new designations such as PROFIL TENSION SYSTEM EUROPE, PACIFIC, MIDDLE EAST, ASIA appears..

PROFIL TENSION SYSTEM keeps developing its activities and anticipating market's new deals. Since 2005, the company has been reinvested its benefits in the research and development of the TS range, in order to achieve the highest technical level, keeping its easy use. Several companies have confidence in our technology, for example: JCDecaux, Decathlon, Auchan...

ACCESSORIES

R = Reinforced T = Tapping P = Flat

EQ 90
Steel corner angle

EQ 90 R
Reinforced steel corner angle 90° Sleek Holes

EQ 90 R T
Reinforced steel corner angle 90° M10 holes

EQ 90 P
Flat steel corner angle

EQ 90 PR
Reinforced steel corner angle 90° sleek holes

EQ 90 PRT
Reinforced steel corner angle 90° M 10 Holes

EQ 135 R
Reinforced stainless steel corner angle 135° sleek holes.

EQ 135 RT
Reinforced steel corner angle 135° Sleek Holes

ACCESSORIES

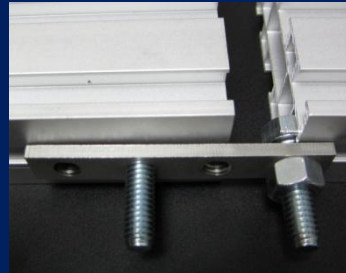

MEPLAT R2T
Reinforced flat stainless steel link 15x50 M10 holes.

MEPLAT R2
Reinforced flat stainless steel link 15x50 sleek holes.

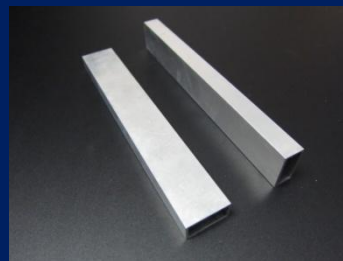

MEPLAT R4T
Reinforced flat stainless steel link 15x100; M10 holes.

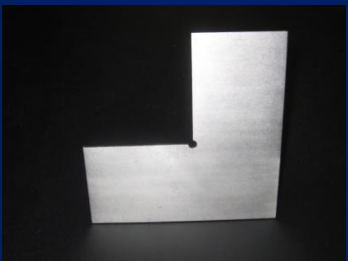

MEPLAT R4
Reinforced flat stainless steel link 15x100 sleek holes.

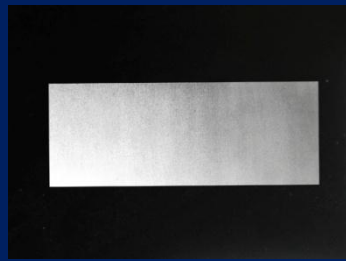

MEPLAT
Flat stainless steel link.

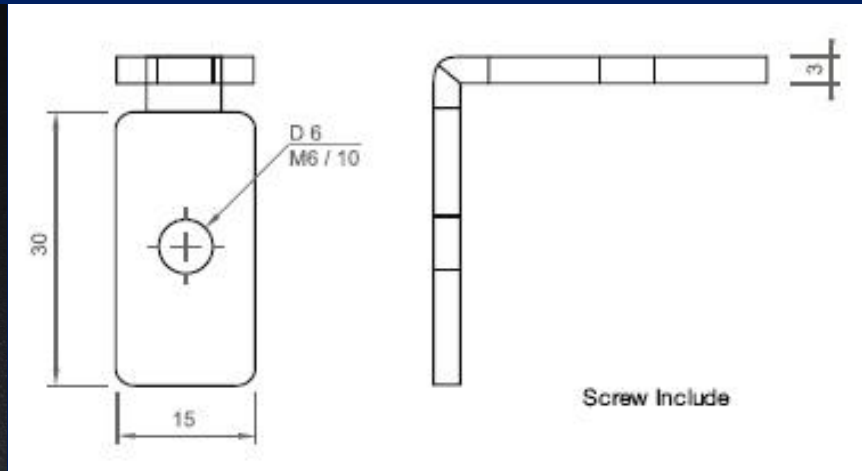

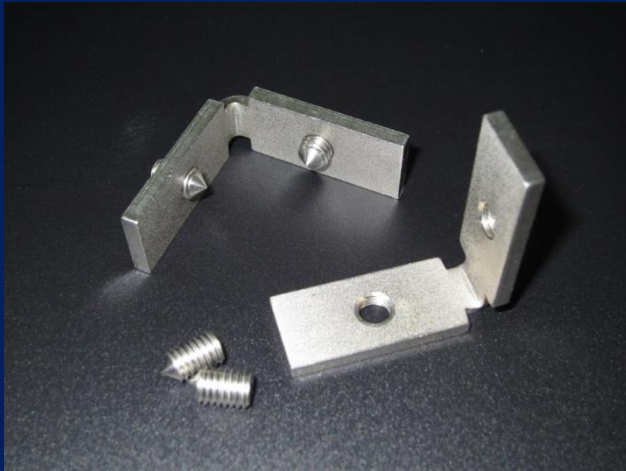

MANCHON
Natural aluminum
30x15x1,5 mm section.

EQ TS WO
Flat stainless steel corner
for TS WO profile

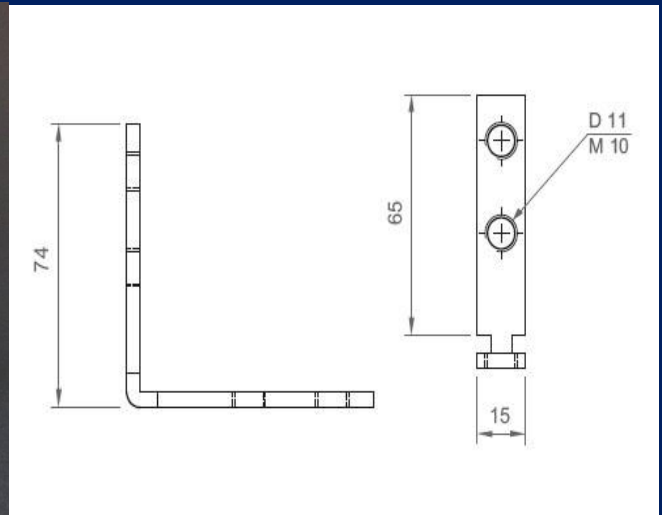

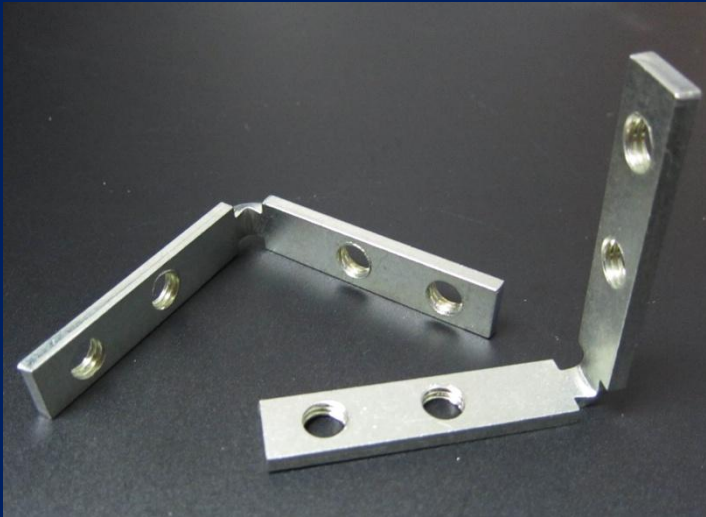

MEPLAT TS WO
Flat stainless steel link
for TS WO profile

Description

	EQ 90 Brackets	
Finish	Steel Galvanize	Stainless
